

# What do you love about your grandparents and how do they make you feel?

My grandparent is very special to me because she works puzzles with me. Sometimes we go out to eat. I love granny very much. She lives with us.

**Elizabeth Jennings, 1st, Hilton Elementary, Mrs. Light**

I love my grandparents because they sit and watch TV with me. I like to help my mamaw cook. My papaw and I like to eat junk food.

**Cayden Harper, 1st, Hilton Elementary, Mrs. Light**

What I love about my grandparents is that they always let me ride the golf cart! It is fun! I like it! My grandparents make me happy because they always let me come to their house. I love going to their house. They are so nice. I have another set of grandparents. They are nice too! My grandmother always comes to my house and helps us do things like fixing food. I love her food! It is good! My grandfather always lets me drive the tractor. He has a farm and a cabin. We sometimes stay all night at their house. I love to stay with my grandparents.

Do you? I hope so!

**Brock Mowell, 2nd, Mt. Carmel Elementary, Mrs. Short**

I think my grandparents are good and sweet. They make me feel safe. They are always good to me. We get to see them when we get our report cards and they give us money for making good grades. I love my grandparents.

**Abby Carver, 2nd, Hilton Elementary, Mrs. Rhoton**

My mamaw is a very good person. She does a lot for me and everyone. She doesn't cook that much. She is Godly. She loves God. She also loves grilled cheese sandwiches. She fixes them every day for lunch.

**Grayson Mullins, 2nd, Rock Springs Elementary, Ms. Charlton**

My mammaw is the best mammaw there is. She is extremely funny and cracks people up a lot. She is also an excellent sewer. I know this because she fixes rips and tears in my clothes. She is a fabulous cook as well. Grandparents are a big part of a kid's life and this is why my mammaw is a big part of mine.

**Kelly Quillen, 3rd, Hilton Elementary, Mrs. Crawford**

I love my grandparents because they are kind-hearted and when I need help with any kind of work, I know that I can count on them to help me. My grandparents make me feel delighted and special inside. Every time I see them, fireworks go off in my heart. My grandparents are amazing.

**Madeline Greear, 4th, Hilton Elementary, Mrs. Crawford**

These are things I love about my grandparents. The first thing is they are really funny. The second is that they are really fun. The third they is they are never mad at anyone (including me). They are never sad either. That is the three things I love about my grandparents!

**Ameron Fields, 4th, Miller Perry Elementary, Ms. Jeffers**

I have amazing grandparents. My grandparents are great. They help me solve problems and it helps. Something else is that they always want to hear what I have to say. They are great listeners! Another thing is that they tend to spoil me. I love it!

**Carson Whisnant, 4th, Miller Perry Elementary, Ms. Jeffers**

Why I love my grandparents is because they watch me when my mom is at work. They feed me and take care of me. But the reason I love them the most is because they love me too.

**Brenan Hensley, 5th, Elydale Elementary, Mrs. Smith**

What I love about my grandparents is that they love me no matter what I do. My grandparents make me feel that I can do things beyond my imagination. My grandparents are so close to me. I will always love them and I know they will always love me.

**Savannah Smith, 5th, Elydale Elementary, Mrs. Lisa**

My grandparents love me very much and I feel the same about them. They always try to make me happy when I am feeling down. Every time I accomplish something, they send a card full of love. They make me feel like I am the luckiest, most loved person in the world. Without my grandparents, my life would be dull and not as pleasant!

**Naomi Castle, 5th, Weber City Elementary, Mrs. Webb**

The thing that I love about my grandparents is getting to hear stories about the past. I love to learn what it was like to be a kid in those days. It is interesting to hear about what they did at school and the games they played. When I am with my grandparents, I feel happy to have been able to meet them. My grandparents make me so thankful for the past and the present.

**Matthew Hamilton, 5th, Weber City Elementary, Mrs. Webb**

I love my grandparents because they get me stuff. I love my grandparents because they spend time with me. I love my grandparents because they care about me.

**Hunter Hensley, 5th, Elydale Elementary, Mrs. Barnes**

I love my grandparents because they are fun to be around. My papaw has a farm and we ride the four-wheeler when we go to work during the summer. We also like to shoot guns a lot too. But most importantly, I love spending time with them.

**Braylon Cox, 5th, Nickelsville Elementary, Mrs. Fraley**

First, my grandfather makes me feel proud and that I can accomplish anything because he is a veteran. Next, my grandmother makes me feel better because if I need to get something off my chest she is always there to talk to. Finally, I also know they love me because they take my brother and me to amazing places. I love my grandparents and they love me.

**Sevan Ford, 5th, Yuma Elementary, Ms. Mullins**

When I think about my grandparents, I think of stories of when they where kids. When I spend time with my grandparents, I like to listen. They always have something to say and if you listen you will always learn something. If they're like mine, they will make you laugh and always think that you're hungry. But their food is the best in the world. I love my grandparents so much.

**Gracee Greer, 6th, Elydale Elementary, Mrs. Cheek**

Of course, I love spending time with them. They make me laugh, and they joke around with me. They still make sure I don't get too hyper. They make the absolute best food imaginable! Overall, my favorite thing about my grandparents is that they are there for me when I need them most! That is what I love about my grandparents.

**Lamore Tucker, 6th, Powell Valley Middle, Mrs. Johnson**

I really love my grandparents and I think they are wise and funny. They tell me stories and love me very much. They tell me how things were when they were young and when their parents were alive. I am very lucky to have my grandparents still alive.

**Cameron Grabeel, 6th, Elydale Elementary, Mrs. Smith**

I love my grandparents more than anything in the whole world and they have looked after me since I was born.

They live right next to me and if they were not there I would not able to get sick at school and no one could take me to practice some time. My grandparents are supportive of me in most everything I do. I am so glad to have these wonderful people in my life. If I did not have them, my world would be so different.

**Makayla Kidwell, 6th, Elydale Elementary, Mrs. Lisa**

What I love about my grandparents is they care about me. Another thing is they love me. They take me wherever I want to go. They let me sleep in on snow days. That's what I love about my grandparents.

**Zackery Simpson, 6th, Weber City Elementary, Mrs. Sanders**

What I love about my grandparents is their stories. Their stories are funny and fascinating. I think they are the best stories ever! My grandparents are the best grandparents ever!

**Devon Clark, 6th, Weber City Elementary, Mrs. Sanders**

I love my mamaw and papaw and I love them for many reasons. My mamaw cooks really good breakfast and she takes care of me. We play Monopoly and other board games together. Papaw tells me stories about his life. They are very special to me.

**Devin Bellamy, 6th, Yuma Elementary, Ms. Mullins**

What I think about when I think of my grandparents is how loving they are. They love and spoil us so much when we see them. Their home and all that is in it is so welcoming. Welcoming to the fact of "old times" and "good times." They also treat us very well. Whenever we visit, they give us not only what we want but what we need, too.

**Heather Graessle, 7th, Powell Valley Middle, Mrs. Johnson**

I am very appreciative of my grandparents. They care more about me than their own selves. My grandma and grandpa always provide for my needs and make sure I never go without. No matter what the situation is I know I can always count on my grandparents to be there. I love my grandparents because they never give up on me.
