

What is your favorite outdoor activity? Why do you enjoy it?

Soccer is my favorite outdoor activity. I play soccer if it's not raining. My dad and I play soccer. I try to shoot it in. He is the goal. I kick it, and he jumps everywhere! It's funny, but it does not go in. I used to take soccer classes in the fall. I'm going to this spring, too! I played games in soccer I was on the team orange. I was against the blue team and the yellow team. I as the fastest runner on the team! I beat the yellow team before they got any shots. I already have an award. This is why soccer is my favorite outdoor activity.

Isla Lewis, 2nd, Rock Springs Elementary, Ms. Charlton

My favorite outdoor activity is dodgeball because you can dodge balls.

Trevor Light, K, Hilton Elementary, Ms. Edwards

My favorite outdoor activity is hiking. Hiking is fun and you also get to see waterfalls and swimming holes. When we see a swimming hole we dive in. Sometimes it is very cold.

Morgan Rogers, 6th, Weber City Elementary, Ms. Sanders

My favorite outdoor activity is roasting marshmallows because it is yummy.

Bentley Trivette, K, Hilton Elementary, M. Edwards

My favorite outdoor activity is having a campfire, telling stories, and playing hide and go seek tag in the dark. When my family and I play hide and go seek tag, we get flashlights and glow in the dark bracelets along with necklaces. And when we have campfires we get to make s'mores. Also, when we tell stories we tell spooky ones that we read out from a scary stories book.

We have a lot of fun when we do these outdoor activities. This is what my favorite outdoor activity is.

Emily Thompson, 6th, Weber City Elementary, Mrs. Sanders

I have several favorite outdoor activities that I do with the boy scouts. One of the activities is outdoor survival skills. Another one of the activities I like is going hiking. The last outdoor activity that I like is going camping. These are the outdoor activities that I like doing with the boy scouts.

Calvin Lee, 4th, Miller Perry Elementary, Ms. Jeffers

My favorite outdoor activity is hunting and fishing. I catch a lot of fish. I have killed a 7 pointer deer.

Ethan Lane, 2nd, Nickelsville Elementary, Mrs. Gilmer

My favorite outdoor activity is swimming. My favorite part of swimming is going underwater. But since it's winter I can't go swimming. That's why winter is a bummer. That's my favorite activity and why.

Chloe long, 5th, Elydale Elementary, Mrs. Barnes-Smith

My favorite activity is riding horses, swimming, and going on vacation with my family! We always do something fun every summer or every day even. I usually don't always go horse riding, but I do sometimes. We also invite friends family over to do stuff.

Rylee Randall, 6th, Elydale Elementary, Mrs. Cheek

My favorite outdoor activity is playing football with my family. One reason why is when my dad gets home it is the time we all get crazy. I personally like it myself because of the fact that it runs in my family on both sides. I think that is something to be proud of. We all have a favorite outdoor activity that we like, football is mine.

Emma Russell, 6th, Elydale Elementry, Mrs. Barnes-Smith

My favorite outdoor activity is sitting outside. I know that does not seem like much and it is not really an activity but I sit outside early in the morning and just take it all in from the trees to the birds and just think. Think about how beautiful nature is how complex the system of the ecosystem that is right in front of us. I take it all in now before deforestation and pollution will sometime in the near future be gone and the animals that were once there will be gone forever for the future generation will never know about the nature that we know and love now so I may live in a small town but the fact I can go outside and see deer and birds is better than big city where all you see is people and cars and everything that is ruining the beautiful nature we have I do not know how much longer we have til its gone so lets take it in and just go outside and enjoy what we have now instead of missing what is gone soon. Thank you.

Cameron Fleenor, 8th, Pennington Middle, Mrs. Clark

My favorite outdoor activity is climbing. I like climbing because when I get to the top I have a good view. I mostly like to climb my sister's playhouse. Sometimes I climb up trees and see deer. I like to climb trees. My dog tries to climb up to me.

Cayden Harper, 1st, Hilton Elementary, Mrs. Light

What is your favorite outdoor activity? My favorite outdoor activity is jumping on my trampoline while shooting basketball! Why do I like to do that? I like to do that because my brother plays with me. I love to jump on the trampoline because it cools me down when I'm really

hot. I love playing basketball with my brother too. For these reasons, that outdoor activity is my favorite.

Cheyenne Rigsby, 2nd, Rock Springs Elementary, Dr. Adler

My favorite outdoor activity is catching butterflies. All I do all day every day is go outside and catch butterflies with a big ol net. I love catching butterflies and making them suffer. I break off their wings and throw them in a fire pit, get them all toasty, and eat them for supper. I love nature.

Jaxon Collier, 8th, Pennington Middle, Mrs. Clark

My favorite outdoor activity is cheering! In cheerleading you get pumped up, you cheer your team on, and most of all you have fun. Cheering may not seem like a sport, but it is. You do almost as much stuff in cheering as in any other sport.

Mckay Wilder, 7th, Pennington Middle, Mrs. Litton

My favorite outdoor activity is riding bikes and exercising. It helps you get in shape.

Kendyl Stewart, 2nd, Nickelsville Elementary, Mrs. Gilmer

My favorite outdoor activity is football. The reason football is my favorite outdoor activity is because football is a contact sport. It can get you into shape quickly, and it is very competitive. Football only lasts for about three months. I really wish that it lasted longer. Football is also great for school because it helps with teamwork and it can get you very tired which can help with sleeping easier. Those are the reasons that football is my favorite outdoor activity.

Zach Hall, 6th, Powell Valley Middle, Ms. Johnson

My favorite outdoor activity is hiking. I enjoy hiking because as you hike you can enjoy the scenery. I like to look out for wildlife. Once while I was hiking I saw a bear when I saw the bear I was very surprised. I always have fun hiking.

Matthew Hamilton, 5th, Weber City Elementary, Mrs. Webb

What would be your favorite outdoor activity? Mine would be going outside and sitting in my tree. This is my favorite because it's very calm and quiet. Also, I like to read up there when it's very nice outside. Another reason is that I also love to climb in it. This is my favorite outside activity.

Jaden Hagy, 6th, Yuma Elementary, Ms. Mullins

My favorite outdoor activity is swimming. I love swimming because you can just have fun with your friends and do tricks and flips in the pool. I especially like swimming because you can also go on water slides. You can swim in the lake. I love inner tubing, water skiing, and kneeboarding. I also love going on the diving board. That's why swimming is my favorite outdoor activity.

Zoe Christian, 2nd, Rock Springs Elementary, Ms. Charlton

The only outdoor activity I ever do is I go and play soccer with my brother Colt, or I participate in soccer at Lee man field. Soccer is the only sport I like, my brother is a soccer coach for kindergarten through first grade. Me personally I am going to try out for the Lee High soccer team in two years. One of the main reasons I like soccer is that there is not much physical contact with others and I can kick quite far, and I can control how or how fast the ball moves. The second reason is that football or basketball require too much physical contact and by the end of the game you are tired. That is why soccer is my favorite outdoor activity, now I have one question, "What is your favorite outdoor activity?"
