

# What is your favorite part of Halloween?

My favorite part of Halloween is costumes. Last year, I was Joker. The year before that I was a Power Ranger. This year, I will be an Army man. I like to dress up for Halloween.

The reasons I like Halloween are getting to dress up, going trick-or-treating, watching scary movies, and riding the haunted hay ride. That is why I like Halloween. This year I'm going to be a vampire.

**Kierra Redden, 6th, Elydale Elementary, Mr. DiVirgilio**

My favorite part about the Halloween is the Halloween Bash softball tournament. Every year there is a travel ball tournament where each team comes dressed up! This year I am on a team called Boom and we are all going to be Ghostbusters! Last year, we were zombies and we ripped up our jerseys and splattered paint all over us. I cannot wait until the Halloween Bash.

**Eli McConnell, 2nd, Nickelsville Elementary, Mrs. Gilmer**

My favorite part of Halloween is working in a corn maze. The reason I like working in a corn maze is that I get to scare people because I am going to be Chucky this year for Halloween. I also like giving candy out for fun just to see other kids' costumes.

**Charlie Lawson, 8th, Surgoinsville Middle, Mrs. Hensley**

**Hayden Hobbs, 6th, Jonesville Middle, Mrs. Gibson**

One thing about Halloween is dressing up. I like to dress up and see all the costumes. On Halloween at my aunt's house we have a hay ride and play games. We have a dress-up contest and the winner gets a prize. At Wilderness Road State Park, they have a hay ride. We go down the trail and at the beginning there is a headless horseman. There are clowns and a bunch of scary things. I also like to trunk-or-treat and paint and carve pumpkins. That is just what I like to do on Halloween.

**Emilee Smith, 5th, Elydale Elementary, Mr. DiVirgilio**

My favorite part of Halloween is the candy and the decorations. The people who go all out and decorate the whole house makes it cool to look at as you drive by. I like the candy because it's candy and everybody likes candy. Overall, this is why these two things are my favorite parts of Halloween.

**Hunter Lee, 8th, Surgoinsville Middle, Mrs. Hensley**

Halloween is the best ever. Booooo! Scary pranks are the best on Halloween. I like to prank my brother the most. Haunted houses are the scariest type of house. I get scared so easily. My brother's birthday is on Halloween. He turns 16 on October the 31st. He can finally drive!

**Reed White, 4th, Miller Perry Elementary, Mrs. Jeffers**

My favorite parts of Halloween are seeing friends and family that I don't see on a regular basis, and also getting extreme amounts of candy. At our family's houses, we always make time to sit and talk for a while. My sister and I like to sit and sort out our candy and trade with each other. I usually end up giving away lots of candy, because if I ate it all, that would be way too much sugar to eat in a short period of time. I always look forward to seeing so many people during this time. These are my favorite parts of Halloween.

**Abigail Tate, 6th, Yuma Elementary, Ms. Mullins**

My favorite part of Halloween is the costume day at school. I love to see all the cool costumes that students dress up in. Some are scary and some are just plain awesome!

**Kylee Phillips, 8th, Jonesville Middle, Mrs. Brooks**

My favorite part of Halloween is the outfits. It's the one day during the year I get to be something or someone famous, like a princess or a pop-star. Plus, you get to go to the store and pick an outfit that looks amazing. Last, you have an excuse to put on glitter. This is my favorite part of Halloween.

**Brooke Stokes, 5th, Yuma Elementary, Ms. Mullins**

**Isaiah Kiser, 2nd, Nickelsville Elementary, Mrs. Gilmer**

I'm all about decoration and carving pumpkins. I like to drive around and just look at all the décor and people's cool pumpkins. Everyone goes all out with lights and inflatables. I enjoy carving and painting pumpkins with my family. Halloween is my favorite holiday!

Candy, decorations, dressing up, and having some scary fun on October 31st make Halloween special!

Trick-or-treating is my favorite part of Halloween, because you go out and get some candy and dress up. I think dressing up is fun, because you can be anything you want. This year, I plan to be Wonder Woman.

**Aliyah Davidson, 5th, Union Middle, Mrs. Johnson**

There are many enjoyable things to do during Halloween, but my favorite is handing out candy and carving pumpkins. Handing out candy is fun because you put a smile on so many little kids' faces! Carving pumpkins is always a great time spent with my family. We usually have a cookout, and you can't beat food!

**Tatum Cox, 8th, Jonesville Middle, Mrs. Brooks**

I like Halloween for these three reasons: 1. Halloween memes. 2. Free candy. And 3. It's the only time when it's socially acceptable for me to run around in the streets dressed like a penguin.

Just kidding! I like Halloween because I get to dress up and spend time with my family. I like scary stuff, so it's sort of like my time to shine. Always remember to have fun on Halloween!

**Isaiah Ward, 6th, Weber City Elementary, Mrs. Sanders**

What is your favorite part of Halloween and why? My favorite would be Trunk-or-Treat. Trunk-or-Treat is an event we do every year at school. First, we dress up and take pictures on the stage that go into the yearbook. Then, we get our bags and get candy from cars people decorate in the parking lot. Finally, we get our candy and go home. Trunk-or-Treat is a great event every year.
