There are a myriad of things I'm thankful for. What I'm most thankful for is family and friends. Without family and friends what would you do? They help get through a tough thing called life. Life isn't easy, but with family and friends there to help, it's not so bad.

Some people don't have family or friends. Maybe they've passed or just left them alone. That could be me, but I'm so thankful I have friends and family to comfort me when I'm sad, during the happy times, and when I'm angry, they are always there. I couldn't be more thankful for my family and friends.

Some kids don't have a family, and that is so sad because they have no one to take care of them and comfort them and help them when they most need it.
