

What is your favorite part of the Thanksgiving holiday?

My favorite thing about Thanksgiving is spending time with my family. We talk about all the things we are thankful for. We talk about all the blessings we have. It is fun seeing my cousins. After the dinner my cousins and I ride the four-wheelers and have pie. That is why I love to spend time with my family at Thanksgiving.

My favorite part is when my family comes over and eats with us. It's my favorite because we get to eat and bond with one another. I love the smell of the turkey when my mom and granny are making the food. Also, I get to play video games with my uncle. This is my favorite part of Thanksgiving.

My favorite part of the Thanksgiving holiday is being able to spend time with family and the food, of course. My grandparents, my brother, and I will all sit down at the kitchen table and tell what we are most thankful for. Then we will dig into the delicious food that is placed in front of us. Thanksgiving is a very special holiday for me, and I wouldn't trade it for anything.

My favorite part of Thanksgiving is spending time with family. I love spending time with family because you can share about everything that happened that year, especially when they live in another state and you don't get to see them a lot. I think it's really important to spend as much time as you can with family. That is what my favorite part of Thanksgiving is.

My favorite part of my Thanksgiving is my family time, what is yours? I love my family because they take care of me and love me very much! I also love my friends because they are like family to me. They are funny and sweet. I also love my traditions. My dad and I made a table and every year we sit at the table and eat together. I also love to make pies, stuffing, turkey, and other stuff. I also help because my family is big! Those are my favorite parts of Thanksgiving, what are yours?

My most favorite thing about Thanksgiving is spending time with my family. Thanksgiving gives me a chance to spend time with the people I love the most. The second thing I like about Thanksgiving is I really like the food my mom makes. She usually cooks cornbread stuffing and opens a can of cranberry sauce. She makes lots more but I like the stuffing and the cranberry sauce the most out of everything she makes. The third thing is I like watching the Macy's Thanksgiving Day Parade with my mom. Watching the parade is usually an annual thing for my family, we watch it even if we're late to find it.

If I could pick my favorite Thanksgiving activity it would be seeing my family. My family is very big, so every year for a family tradition we rent a church and cook our favorite meals. We cook food such as pie, turkey, mashed potatoes, and much more. However, my favorite is my mom's traditional sausage balls. After we get done eating we go to the Bristol Speedway Lights. We ride rides and drink hot cocoa. Seeing my family and doing my family traditions are my favorite parts about Thanksgiving. What's yours?

My favorite part of the Thanksgiving holiday is cooking. At the age of 12, my mamaw taught me to make pumpkin rolls and stuffing. I've been making pumpkin rolls and stuffing every year since she taught me. This year, I will be 14, and they will teach me to make the turkey and ham. Cooking is my favorite part of the Thanksgiving holiday.

Cooking with my mom is my favorite part of Thanksgiving. It is spectacularly fun to mix the ingredients together to make scrumptious food that my whole family can enjoy. The delectable smell rushes through our home. I love to make mashed potatoes because they are fun to wash and cut up. The electric mixer is my favorite utensil to use because the texture is marvelous after. It is a lot of work but it pays off when my family and I get to eat the food we make.
Destiny Porter, 4th, Hilton Elementary, Mrs. Crawford

Being with my friends and family is my favorite part of Thanksgiving. I like playing with my cousins. I like watching the balloons and parade. It comes with cool characters like Clifford and Sesame Street. The Thanksgiving parade keeps going until the day is over. Everywhere I go I like it. I like going to the church. I like to thank God for everything.

These are some things I love about Thanksgiving that are fun and special to do! I love helping my family cook and set the table. I also love getting together with my family and spending time together makes me very, very happy! Last but not least, I like that my elf on the shelf comes back and I get to wake up every morning and see where it is. It is so fun and funny to find it! One day I found it wrapped up in a washcloth in the fridge, ha-ha! These are three things I love about Thanksgiving.

There are many things I'm thankful for on Thanksgiving. These reasons are: I get to see my family, and I get out of school. I'm happy that we get out of school because my mom usually gets out of work on holidays. I'm happy because when she is off of work I see her more. We also gather up as a family, and have a big feast. This is why I love Thanksgiving.
