

Do you have any pets? If so, write about your pet.

I have a special pet that I am going to tell you about. My pet is a dog and her name is Maggie. She is very wild and will lick you forever. She will play and make her toy squeak all day. She also can do some tricks like catch her toy ring when I throw it. Also, she likes to eat fruit. She loves kiwi, strawberries, and apples. Now you know about my pet, Maggie.

Ever since that jovial day when a small cat wandered on to my dad's back porch, I have enjoyed the exciting life of a pet owner. I named the cat Sunny because it is a perfect name for her. She is a bright orange tabby with a cherubic attitude and an infinite amount of energy. Since then, she has had two litters of kittens, and has become a grandma to another six, all which looked just like her. Now, she lives with me at my dad's new house with her eldest daughter, Tiger.

I have a pet named Jeter. I going to tell you about him. Jeter got the name Jeter because I made a deal with my dad. This was the deal. If I can get a puppy I will name him after your favorite baseball player. Jeter has the hops of a kangaroo! He can almost jump over me and I'm almost five feet! The sad part is that he lives with my papaw and granny. I hope I get another dog.

Do you have a pet? I do and I want to share about him. First, I have to tell you his name and it's Blackout. His name is Blackout because he is solid black. He loves playing with his brother for hours. He loves to play with cat toys and chase my other cats around my house and he's only a kitten. That was all about my pet kitten Blackout that loves to play and lots more. I hope you enjoyed!

I have a pet named Thumbelina at my grandparents' house, but we call her Tiny for short. I got her for Christmas the year before last. She is part rat-terrier and part weenie. I love her so much and she is a very special dog. She is my baby girl.

I have two pets- a dog and a cat. We got Felix from the pound about two months ago. We have had Bella for over four years now. Felix is really lazy and loves to be petted. Bella just likes to lie there. Overall, I have two pets.

At my house I have two pets. One dog and one cat. So what I'm going to write about today is my favorite animal, which is my cat. His name is Mossi. We got him almost six months ago. He is in love with things that jingle. And he really loves to snuggle/cuddle. He is the best cat I have ever had. I choose Mossi as my favorite animal because I love him so much.

I have a dog named Trigger. He loves to play. He's a Boston terrier. He has black and white fur. His favorite food is chicken, I think. He is the cutest and greatest dog in the world.

Chelsea Ayers, 6th, Jonesville Middle, Mrs. Gibson

I have some cute irresistible cute pets I am going to tell you. First, the youngest, Gunner is a Maltipoo. He really can help me pick up the ladies. Second youngest is Chloe. She is a Great Dane lab mix, but a real sweetheart. Third youngest is Fonsey. He is a cat and I don't even know his breed. I have one more but she's a secret!

The pet I like most, her name is Mittens. She is a black Calico. When I get off the bus, Mittens is waiting for me. When I'm sick, she curls up on my lap. She never fights other cats. Mittens is the best pet I've ever had in my life.

Nick Lawson, 3rd, Hilton Elementary, Mrs. Crawford

I love my pets more than most people. My family owns two dogs. We have a Pomeranian and her name is Bella, and a Chug (Chihuahua/Pug). His name is Charlie. They have completely different personalities. They also are very different in age. Charlie will be a year old on February 2. Bella is seven years old. Since Charlie is still a puppy, he is very hyper. Bella can be hateful at times but she is very sweet and fluffy!

I think we have the weirdest pet you can have. I'm talking about a goat. Yes, a goat. We actually have two. Their names are Little Goat and Baby Goat. I think they're more like dogs than farm animals. They eat with the cows and they eat Frosted Flakes. They will get onto the swing and Baby Goat will sit on your lap. Strange, isn't it?

Matthew Rogers, 8th, Jonesville Middle, Mrs. Brooks

I have two dogs, one's a girl and one's a boy. Their names are Max and Mia. Max likes to play Frisbee with me and my mom.

Mason Cole, K, Hilton Elementary, Ms. Howe

I have a pet. It is a cat and her name is August. She is a nice cat but if anyone tries to hit me she will attack them. The reason I named her that is because that is my birthday and that is when my mom gave me her. And ever since I have loved her.

Charla Clifton, 6th, Elydale Elementary, Mr. DiVirgilio

I have a dog named Spike. He is very little but I love him very much. I got him Christmas day. He was the last gift I got that day. We named him Spike because mom got him a collar with spikes on it. When we took it off him he would bark but when we put it on him he would stop. He is one now and still very small but very cute.

Vincent Roberts, 5th, Weber City Elementary, Mrs. Webb

My dog is a German shepherd. Her name is Diamond. I have to take her to the vet. I have to comb her hair and give her a bath too. I like to play fetch with her.

Kayllen Lane, 1st, Hilton Elementary, Mrs. Light

I have a pet dog. She is a girl German shepherd. She is black, brown, and white. She loves to play fetch, snuggle with me, and chase me. She will play fetch with me in the yard. She likes to snuggle with me on the couch. When we are outside she also likes to chase me. I love my pet.

When I was seven years old my father got me a pet beagle. We were best friends until one day he ran away. We were about to give up and then we found him in the road. I thought he was gone, but then I realized he was sick so I helped him in the car. He got healthier and we played fetch. I still have the tennis ball to remind me about my best friend.

Evan Long, 6th, Jonesville Middle, Mrs. Gibson

My pet is a cat. My cat's name is Kee Kee. She likes soft blankets and pillows. My cat runs out of water quickly because my pet always drinks her water. Kee Kee doesn't like my dog.

James Osborne, 1st, Hilton Elementary, Mrs. Light

I have a horse named Bo and I have some chickens and goats. I have four dogs. Their names are Lisa, Buddy, Cuddles, and Luna. I also have a cat named Cookie.

Amelia Arrington, K, Hilton Elementary, Ms. Howe

Do you have a pet? I have two pets. My pets' names are Doc and Franny. They are good dogs and I love them. Doc is a crazy dog, but he is nice and gets excited easily. He will bark a lot. He steals Franny's food. Franny is a good dog and she does not steal food from Doc, but she starts their fights. I love my pet dogs. That is all I have about my dogs.

Brock Mowell, 3rd, Mount Carmel Elementary, Ms. McCann

I have a pet cat. It is very playful. It has a friend. I feed it every day.
