My favorite outdoor activity is camping. We play football, swim in the swimming pool, and roast marshmallows. The last time we went camping we took our neighbor and we played football. It was fun throwing and catching the football. We had a pool at our campground, so we got our bikes and rode them to the pool. After we got out of the pool, we found a lazy river and swam in that. The last thing we did was roast marshmallows at the campground. We played football while the marshmallows were roasting. After we ate the marshmallows we packed up everything and went home. My favorite activity is camping. There is so much to do outdoors when you camp.
