They fight a battle together that seems never-ending. This book teaches you friendship, truth, love, loss, and fighting for what's right when everyone is against you. My favorite book is Dork Diaries because it is an awesome book to have. I chose Dork Diaries because it is really funny and a great book to read if you are a girl. At the end of the book there is a boy named Max, and he is in the Dork Diaries with the other characters. The reason I love them is because they are very long books. It will give you a lot of things if you write your own book. The thing I love the most about it is that when you get in middle school, you will not have to think a lot about how you are going to treat people. These are all of the reasons I chose Dork Diaries. They are great to read during thunderstorms and floods or on snow days.
