

# Write about a memorable day from this school year.

My favorite day of school this year was the 100th day of school. On the 100th day of school we counted everything 100 times. I like the 100th day of school because of the shirt I made. My shirt had 100 Band-Aids on it. I stacked 100 cups. I like the 100th day of school the best.

**Hailey Hagy, 1st, Hilton Elementary, Mrs. Light**

My favorite memory in 2nd grade is writing in shaving cream. We put shaving cream on our desk. We wrote our spelling words in shaving cream!

**Brady Quillen, 2nd, Nickelsville Elementary, Mrs. Gilmer**

It was "Kids in the Creek" because we learned about the creek and about water life.

**Kendra Bledsoe, 6th, Jonesville Middle, Mrs. Gibson**

I'm going to tell you about the most memorable thing I've done in school. What was yours? Mine was the storytelling festival. It was so cool. We had popcorn too. I hope yours was good too.

**Garner Shelton, 2nd, Rock Springs Elementary, Dr. Adler**

I think the most memorable day from this school year is when we went to Lee High. Lee High is a big school, if you ask me. While we toured the school, I learned a lot about the vocational school. The vocational school is smaller than the actual school itself.

**Willow Dorman, 8th, Jonesville Middle, Mrs. Brooks**

Have you been to Dixie Stampede? It is really fun and cool. They give you your own food. They have horses there and lots of other fun stuff.

They have horses and we played this game were we had a North Pole and South Pole. Dixie Stampede is really fun! You know, you should really go there and see if you like it.

**Aiden Ford, 4th, Miller Perry Elementary, Ms. Jeffers**

The most memorable day of the school year is when we had Olympics day. The bobsled game was fun. We also had relay races. The gym was so loud. Everyone was excited and wanted their team to win. That's my favorite memory so far.

**Lyfe McNew, 2nd, Hilton Elementary, Mrs. Edwards**

A memorable day from school this year is when we had a STEAM day. We made a Christmas tree ornament, trees, and a chain reaction. We made a Christmas tree ornament and I loved it. We made it out of a light bulb, paint, baking soda, and vinegar. Then we mixed them in the light bulb and the baking soda and the vinegar made a reaction and it bubbled out of the light bulb like a volcano. It looked like the paint had bubbles in it when it dried. We made a tree and I loved it too. We made it out of newspaper and tape. The most fun thing we did was a chain reaction. We made it out of Popsicle sticks. We followed a video on YouTube and we put the Popsicle sticks in a pattern on top of each other. Then, we let it go and the sticks flew up and went everywhere. It was fun. This is a memorable day in second grade that I will never forget.

**Sarah McClellan, 2nd, Hilton Elementary, Mrs. Rhoton**

Laylei, wake up! Oh sorry, I was daydreaming about my most memorable moment this year. My most memorable moment was the first day of school. That is when I met Ella and Graciela.

They were so nice to me.

**Laylei Lawson, 4th, Miller Perry Elementary, Ms. Jeffers**

The most memorable day I've had this year of school was when I got my report card. It said AB honor roll and they did put it in the newspaper but I don't care if they didn't, I love my grade. I hope my grade stays the way it is. When the SOL comes up I will try my best and remember what my lovely teacher told me. They are great and it will be the greatest achievement I ever make.

**Logan Catron, 5th, Elydale Elementary, Mr. DiVirgilio**

One day we were in school making something, it was a time capsule. We did that so we could see what it looks like on the last day of school. We still have not taken them out yet. It has been a long time since we put them in the closet (that is where we buried them). I'm looking forward to opening my time capsule. It will be cool to open them. That was my most memorable day at school.

**Adrian Brown, 2nd, Rock Springs Elementary, Dr. Adler**

I know Ms. Jeffers is a great teacher. She helps me with my work. She is the best ever so I will never forget my memory. I will never forget this.

**Jayden Maracle, 4th, Miller Perry Elementary, Ms. Jeffers**

My memorable days from this year are spending time with my friends, Genesis, Rachel, Kendra, Hailey, and Maddie. They have all been here for me. Genesis has been here for me since the second day of 3rd grade. The memories I have with her are laughing and talking together. Rachel has also been here for me since we were 3 years old in Head Start. The good memories I have are talking, laughing, going places together, and lots more. Kendra, we've known each other since 2nd grade and we don't really talk but I don't care, I still love her. Hailey, she has been here for me since now. The memories I have with her

are telling jokes and laughing. Maddie, she came here in the middle of 5th grade and the memories I have now are laughing and stuff. I love all of these girls.

**Abigail Carrelli, 5th, Elydale Elementary, Mr. DiVirgilio**

My memorable day was when I passed my benchmarks. My teacher was proud of me. I remembered when my friends and I went outside for PE and played hide and seek. I also remembered when my friends and I went to the Halloween party and everybody was wearing cool costumes. And I remember when it was the Christmas party and we got hot cocoa.

**Thomas Delong, 5th, Elydale Elementary, Mr. DiVirgilio**

I've had a few memorable days from this school year. One really fun, memorable school day was when we had a program called "Share the Fun." There were a lot of great plays. I had a wonderful time watching it. Watching people perform is amazing. There were a lot of memories made that day.

**Justin Lawson, 8th, Jonesville Middle, Mrs. Brooks**

A memorable day from this year was the first day of school. I've always loved the first day of school, but this year was great! I love my teachers, classes, and I made a new best friend. I also love the first day of school because I love getting new school supplies. I love the first day of school!

**Maddie Norman, 6th, Weber City Elementary, Mrs. Sanders**

One memorable day is when all the girls went on a field trip. Just the girls. It was super fun because we went to UVA Wise, which is where my stepmother goes. We all had so much fun.

**Reece Cook, 6th, Jonesville Middle, Mrs. Gibson**

A day I really loved was when we had the Easter egg hunt. I got lots of candy and 3 gift cards to go eat.

**Britt Davenport, K, Hilton Elementary, Ms. Howe**

A very memorable day from this school year, so far, would be the STEM day for girls at UVA Wise. We did lots of fun activities with sixth grade girls from many different counties. We were taken to many different stations such as: nursing, finger printing, and music. There was also an inspirational speaker there who had a lot to share with us. Overall, this was a day that I hope to remember for a long time.

**Abigail Tate, 6th, Yuma Elementary, Ms. Mullins**

My most memorable day is when I made the AB honor roll. I have made the AB honor roll 4 times so far and I hope I make it on there the rest of the school year.

**Brice Necessary, 5th, Elydale Elementary, Mr. DiVirgilio**

A speaker named Doug Reavis came and spoke about "Silent Strength." He mentioned a website and it encouraged and motivated our school to stop bullying and be kind to each other.

**JD Odle, 6th, Jonesville Middle, Mrs. Gibson**

My best day was when we watched the Grinch movie and drank hot chocolate.

**Kimber Couch, K, Hilton Elementary, Ms. Howe**

A memorable day I had this school year was when some girls in my Girl Scout troop, my friend, and I went to the Girl Scout food festival. My friend and I loved it. The food was awesome and we had a blast doing all the fun activities. There were 11 food stands and they had a cake walk. The best part is that every 5 seconds we would find a stack of tickets on the floor we used to buy stuff. That day was awesome, I loved it.
