My favorite amusement park is Dollywood. My favorite ride is there and that's Wild Eagle. I like it the best because it has twisty turns and all that stuff. That's why I love Wild Eagle.

Caleb Benton, 2nd, Mount Carmel Elementary, Mrs. Strickler

A fun activity I enjoy is riding roller coasters because they are very fun! My favorite is Rock 'n' Roller Coaster at Disney World. It plays Aerosmith the whole time and it goes really fast! I don't know why someone wouldn't ride Rock 'n' Roller Coaster!

Kaelyn Pendergraft, 7th, Jonesville Middle, Mrs. Brooks

My favorite amusement park is Splash Country. I like riding the inner tubes. They go down a slide into a pool of water. I like to ride the fastest one. I think Splash Country will always be my favorite amusement park.

Isaiah Fields, 1st, Hilton Elementary, Mrs. Light

My favorite rides at an amusement park are the swings and Fire Chaser.

I like the swings because they are fast and high.

I like Fire Chaser because it is fast.

Maddison Jones, 2nd, Nickelsville Elementary, Mrs. Gilmer

Fishing, one of the best sports, filled to the brim with all sorts of fun stuff! Boat fishing, more fun, even when you do not catch anything. It is possible to explore all sorts of rods, reels, baits, lures, and line. You can go bow fishing and enjoy aiming, pulling, and reeling in all sorts of fish. That is why I think fishing is one of the best sports in the world.

Ryan Lick, 4th, Miller Perry Elementary, Ms. Jeffers

When it comes to amusement parks or state fairs, I would rather go to an amusement park. My favorite amusement park is Busch Gardens in Tampa, Florida. Busch Gardens has many rides, all with different personalities. It is set up to look like Egypt and other parts of Africa. I have two favorite rides, Cheetah Hunt and Cobra's Curse. On Cheetah Hunt you are on a roller coaster that looks like a cheetah, at the cheetah's speed. You are taken through a part of the park that is a zoo. On Cobra's Curse you ride in a little box car that spins around in every direction while a big cobra statue is talking to you. I love this ride, which is pretty ironic considering I am terrified of snakes. I'm so excited to go back in July. Can't wait!

Katelyn Jones, 7th, Holston Valley Middle, Mrs. Taylor

My favorite rides are the ones at the Appalachian Fair. The ride was awesome. The ride stops at the top. I can taste the popcorn. I rode the ride that goes up and down with my brother. It smells like candles at the fair. We had fun!

Cole Amburgey, 2nd, Hilton Elementary, Mrs. Edwards

Have ever been to Dollywood and have you ever been on Thunderhead? It goes so fast! Pretend you are on the ride. You're going up the hill.

You're shaking, you're about to go down the big hill!

You're going down the hill! Oh my, the ride is over.

This is my favorite ride.

Drew Taylor, 2nd, Mount Carmel Elementary, Mrs. Strickler

I like to go to the Appalachian Fair. It is super-duper fun, especially this one ride called Pirate Ship.

It rocks back and forth and goes faster each time.

The ride is only at the Appalachian Fair, at least I think so.

So, now you know my favorite ride at the Appalachian Fair.

Yazmina Good, 4th, Miller Perry Elementary, Ms. Jeffers

My favorite ride at an amusement park is the Raven. It is a wooden roller coaster.

Caleb Reed, 2nd, Nickelsville Elementary, Mrs. Gilmer

I like renaissance fairs the most. I like them because I love the acting shows the people do. I also like the food, such as turkey legs which is one of my personal favorites. I also love to see the jousting where men get on horses and try to knock each other off their horses with long wooden poles. I also love the outfits they wear just like they wore back in the old times.

Emily Childress, 7th, Holston Valley Middle, Mrs. Taylor

My favorite game to play is Life, the board game. It's fun. I love playing Life all the time. Life is the most fun game I ever played.

Lynzie Ziehler, 6th, Jonesville Middle, Mrs. Jones

My favorite ride at an amusement park is Mystery Mine. It is a very scary roller coaster.

Addison Counts, 2nd, Nickelsville Elementary, Mrs. Gilmer

Have you ever been to Disney World? It is so much fun. You can meet Mickey, Minnie Mouse, and loads of other Disney characters. It is so cool. They have 5 different parts. They are all very fun. There is a roller coaster named the Yeti. The roller coaster goes fast backwards and one part of the roller coaster goes to the top and goes sideways. And they have some very good sweets. They have anything you could imagine.

It so fun. I hope I can go again someday.

Noah Gilliam, 4th, Miller Perry Elementary, Ms. Jeffers

A fun activity I enjoy is riding the Ferris wheel at The Island in Pigeon Forge because you're high up and you can see everything!

Katelyn Stafford, 7th, Jonesville Middle, Mrs. Brooks

My favorite thing is the food. When we go to an amusement park I get funnel cake. Funnel cake is a round food that you deep fry. It is made from cake mix and has powdered sugar on top of it. So that is what I like.

Aaryanna Cross, 7th, Holston Valley Middle, Mrs. Taylor

The thing I like doing the most is cheer. I like to tumble on stage. Yes, on stage! My team and I go to competitions. So what do you enjoy doing?

Myra Copas, 4th, Miller Perry Elementary, Ms. Jeffers

I like fairs because there are games, rides, and food all in one place. It's like a dream come true for

me. I love riding roller coasters, the Ferris wheel, and bumper cars. The most fun fair to go to is the Appalachian Fair.

Nathan Shelburne, 5th, Jonesville Middle, Mrs. Austin

My favorite is amusement parks. My favorite ride is Lightning Rod. I like Ring the Bottle because you can win two prizes. I like Lightning Rod because it is fast. These are the reasons why I picked amusement parks.

Bryson Hughes, 2nd, Hilton Elementary, Mrs. Edwards

I like to ride the scrambler ride over at Pennington Fair. Every year they have it.

Ellis Hammonds, 6th, Jonesville Middle, Mrs. Jones

Have you been to a water park? The best ride in my opinion is the Twister. My second favorite is the one where you go really, really, really, really fast.

My last favorite is where you go really slowly then you just drop, like literally drop. Those are my favorite rides at a water park.

Tyler Grindstaff, 2nd, Mount Carmel Elementary, Mrs. Spradlin

My favorite ride is a roller coaster named Fire Chaser. It is located in Dollywood. I like this ride because it goes backwards. I also like it because it's fast! I like it because it's fun and I like it because when you start to go backwards, fire pops up! Once my sister and I went on the ride and the fire scared me. Fire Chaser is my favorite ride!

Zachary Morelock, 2nd, Rock Springs Elementary, Mrs. Charlton

My favorite park is Dollywood. I rode the Ferris wheel and got stuck at the top. Then I played a duck game and a fishing game. I also played a basketball game.

Dollywood is my favorite amusement park.

Bentley Trivette, 1st, Hilton Elementary, Mrs. Light

My favorite ride is at Disney World! My favorite ride is Space Mountain. I like it because it's like you are in space, and it's scary. What I don't like about it is that it jerks you around. The people who made Space Mountain are creative. I haven't ridden it in 2 years.

I almost love the whole ride. I do love the whole amusement park.

Zeke Roller, 2nd, Rock Springs Elementary, Mrs. Charlton

I have never been to an amusement park but I would like to go to Splash Country this summer.

I would want to go to Splash Country to go on the rides. I would like to go in the wave pool because of the big waves. I think Splash Country would be a fun park to visit.

Nevaeh Lane, 1st, Hilton Elementary, Mrs. Light

I enjoy amusement parks and state fairs. One of my favorite things I enjoy is ice cream cones. The first ice cream cone was invented at St. Louis World's Fair when an ice cream booth ran out of bowls and a waffle booth helped out. Because of this fair, I now happily enjoy ice cream cones.

Jack Ragan, 7th, Holston Valley Middle, Mrs. Taylor

My favorite ride at Dollywood is the Scrambler. It is really fun. It goes in circles and it is fast. It has three seats on one metal pole. Two people sit on one. When you ride it in the cold it is super windy and cold. That is my favorite ride at Dollywood!

Maxx Ball, 2nd, Mount Carmel Elementary, Mrs. Short

If I went to the state fair I would ride the roller coaster. The roller coaster is my favorite ride because it is so much fun. The roller coaster makes me dizzy. I wish I can go again one day because it is awesome! That's why I want to go again.

Anna Brinegar, 2nd, Hilton Elementary, Mrs. Edwards

Sad thing, I do not like amusement parks. The reason why is the rides. I know to some that is the fun part but to me, NO! The first thing is they are too fast. It hurts when the air hits my face when I do ride one.
