I think Chris would be a great president. One, he is smart. Two, he is nice. Three, he is brave. These are the reasons why I think Chris would be a great president.

Aleah Addison, 3rd, Fort Blackmore Primary, Ms. Burke

Once upon a time my teacher said that I could be in charge of picking a president. I picked my friend Maddie because she is very nice. The class started to cheer for Maddie. They said good job, Maddie. Maddie told me thank you so much. She asked me why I picked her. I said because you are a very good friend.

Charlie Anderson, 4th, Mount Carmel Elementary, Ms. Tipton

Hello, if I could choose someone from my class to have full control over the world I would choose Jonathan. First reason is he is determined in anything he thinks he can do. Also he can make hard decisions in a tough spot. Second reason is he can make people feel helpful, strong, and part of a family. He is really smart too. He was first to finish a program in a few weeks. Third reason is he is strong. These are some reasons why I would choose Jonathan to rule over the world.

Taylor Baker, 4th, Miller Perry Elementary, Ms. Jeffers

I feel Carter Wells would make the best president in my class. He is comfortable in a leadership position and is a skilled public speaker. He's also intelligent and a good listener. The classmate of mine that would make the best president of the United States is Ryley Crabtree because he is into politics, he is very smart, and he makes good choices. He would also make a good president because he is very determined and will do everything to the best of his ability. He is my brother. He is very smart and I hope one day he becomes president. I also hope he becomes president so I can live in the White House.

Grier Crabtree, 7th, Jonesville Middle, Mrs. Brooks

Ainslee Kindie, Kindergarten, Hilton Elementary, Ms. Howe

I think my best friend Emily would make the best president of the US because she always tells the truth. She helps people feel better when they're sad. She always follows the rules. She tries her best in everything she does. She is very smart. So that's why I would pick her out of all my classmates.

Morgan Lindsay, 5th, Pennington Middle, Ms. Elkins

I vote for Khloe Ayers for president because she is very nice and I can trust her. She would help all of the homeless people and give them a good home. She would help get rid of trash and pollution. She would help with schools and working areas so that they would get better.

Kendra Lowe, 6th, Elydale Middle, Mrs. Gulley

If I could pick someone in my class to be the president it would be Brycen Coomer. He is very nice, civilized, and he is a really good basketball player. You have to have a president that can hoop. It's a scientific fact. Look at Obama. He wasn't the best at basketball but he met Stephen Curry.

Taylor McKnight, 6th, Jonesville Middle, Mrs. Jones

I think my classmate Jaden Ingle would make a good president because he is a leader. He is independent and he would not lie. He is very smart and most of all, he is kind.

Dylan Mosley, 5th, Jonesville Middle, Mrs. Austin

In my opinion, I think Molly Cantor would make a good president. Some of the reasons are she is a very wise, kind, intelligent, and loving person. I think Milly would be great for our country. She would do the right things. I don't think she would do much wrong at all. I feel like she will do what is best for our country. I think she would be the best president yet. If she ever runs for president, she will have my vote no matter what. That's why I think Molly Cantor would be a good president for our country.

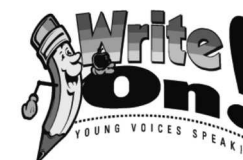

Chase Pearce, 6th, Jonesville Middle, Mrs. Brown

If I had to pick a classmate to become president it would be Ben Cope. I think Ben would be a good president because he is very nice to other people. He would be a president that plays the drums. Ben takes up for others. Ben is very smart. This is why I would pick Ben for a classmate president.

Out of all the fourth graders at my school, I believe Anna Claire Catron would make the best president. Anna is smart, loyal, and trustworthy. A good president has to show these traits. Also, Anna is really nice. I think she would be an excellent president because she has all the traits a good president should have.

Addie Smith, 4th, Rogersville City, Mrs. Sauceman

My best friend, Skyler Morelock, would make the best president to run the world. She is fair-minded, honest and accountable. I know she is honest because she always tells the truth, even if it will hurt someone's feelings and will always do what she thinks is right. I know she is fair-minded because she has always seen everyone as equals. She loves everyone the same and would never put someone before another based on favoritism. I know she is accountable because if she promises to do something, she does it and always keeps her word. This is why my best friend, Skyler Morelock, would make the best president to run the United States.

Lillian Vaughn-Shepherd, 8th Surgoinsville Middle, Mrs. Hensley

Natale Benedetto would make a good president because she is highly intelligent, a good choice-maker, and will argue to win her cause. She's reliable and can most likely handle political discrimination and abuse. Because of her intelligence, she can make good decisions that will structure America's society and law. She is conservative and prefers the traditional law and freedoms. This is not because she is denying your freedoms, she is denying the change in your freedoms to keep them the way the Founding Fathers wanted. She has proven highly intelligent in the classroom making her a good decision-maker and problem-solver. If a protest or riot happened in America, Natale would demonstrate her intellectualism to resolve the protests and riots in an orderly and peaceful manner. These are the reasons that Natale Benedetto would make an excellent ambassador for the United States.

Kendan Greene, 8th Surgoinsville Middle, Mrs. Hensley
