Shyla deserves a kind award. These are the three reasons why. 1. She never lets anyone sit by themselves. 2. She helps people unlock their locker. 3. She helps anyone with homework/work. She is always so kind to others and never lets anyone down. She is an amazing friend. She never lets anyone by themselves because she treats people the way she wants to be treated. She helps people unlock their locker because she doesn't want them to be late for class or just stand there. She helps people with work because she is sure that if she needed help they would help her like she helps anyone or that person. She always remembers to be kind and to never be mean to anyone. That is the award and 3 main reasons why Shyla would be good for the kind award. Always be kind people!
