One summer day I went to the pool. I swam in the water for an hour. My sister Peyton jumped in the pool with me. I did a big flip in the water. I had so much fun! I did not want to leave the pool.

Landri Carter, 2nd, Hilton Elementary, Mrs. Edwards

A fun time I spent outdoors was when I helped my dad with the garden. In the garden, we planted corn, tomatoes, and squash. It was hard work, but I got to spend time with my dad as well as my nephew Sammy. After we worked in the garden, I practiced my volleyball. Most of my days were spent outdoors making memories.

One summer day I played outside with my neighbors. After we played, we ate ice cream. After we ate ice cream we played in the water. Then we watched a movie.

I'm going to tell you about my summer's day in Arkansas. First, I woke up and went downstairs. We were having pancakes, and you could pick your own toppings. After breakfast we drove the Kubota to the barn. We got the horses and tacked up and headed to one of the fields. We rode around for a few minutes. Next, we headed to a field with a lot of trees and when we were riding, we crossed paths with a black snake, it was very pretty! With that we headed back to the barn and took the saddles off. So that was my summer's day. All and all it was a summer I won't forget.

I went to Myrtle Beach and I caught a fish. I made a huge sandcastle. There was a water park. It was huge. There were two huge water slides. There was an orange slide and a green and white slide. I rode both. It was so fun.

Quinn Quillen, 3rd, Shoemaker Elementary, Mrs. Johnson

One summer day I went to Soaky Mountain Water Park. I rode 10 slides. We love the slides. They were cool because we went down the hill in our tubes and there was a mound that caused us to jump. When we were finished, we went to Bee Good Café to eat pretzels. It was sad when we left.

A few summers ago, I went to Colorado with my family. I got to see my uncle. I played with his dog Zoey! We got to go hiking. We saw a cactus. We got to stay there for a week. It was hot and sunny. It was a fun summer in Colorado. It was the best summer outdoors ever!

Write about a fun summer day you spent outdoors

Although I had many days of summer vacation, my favorite day outdoors was when my dad surprised my siblings and me with a golf cart when we went camping. My dad taught me how to drive the golf cart. My mom took my siblings and me on a ride and we took my dog with us too. My dad worked very hard on it. He painted it a special color called "blurple". This golf cart is very special to me and we use it all the time outdoors in the summer.

My family and I were in Florida and it was the last day. We were staying in a hotel. It was my dad, my sister, Melissa, and me. First, we went to the beach. Then we went to the Gulfarium. The Gulfarium is a place with animal shows. They do tricks and funny things. The dolphins were really good. Then we had to leave and go home. I can't wait to spend another fun day outdoors there next year.

Marcus Capps, 5th, Weber City Elementary, Mrs. Webb

One summer day, I went to Battleship North Carolina in Wilmington, NC. I looked at ship models. I went inside the captain's cabin. I looked at very big guns.

Tristan Lewis, 2nd, Hilton Elementary, Mrs. Edwards

My fun summer day outside is on the beach. I loved it. I got to swim, and it was fun. I wish that I could go back to the beach again.

One summer day my mom and I had Mommy/Daughter Day. First, we went to a cabin and a gift shop. Day 2 we went to a pool. Day 3 we went to Dollywood. We got ice cream. We rode Blazing Fury!

Sophie Alaniz, 2nd, Rock Springs Elementary, Mrs. Charlton

One summer day I played with my puppy. I ran with my puppy. I slept with her. We had fun this summer.

Aber Bellamy, 2nd, Hilton Elementary, Mrs. Edwards

A fun summer day I spent outdoors was when we went to my grandma's house. We had a water balloon fight in the backyard. I was happy because I won, then we went to go eat snow cones. I got Tiger's blood with Blue Raspberry and my sister got Pina Colada with Tiger's blood. I had so much fun. I will never forget the day I spent at my grandma's house!

Bella Amburgey, 5th, Weber City Elementary, Mrs. Webb

One time I went to Dollywood with my friend. We went on the Tennessee Tornado. I was scared.

Malachi Benight, 3rd, Shoemaker Elementary, Mrs. Johnson

This summer I got new goats. Harley and Ail were scared, but I still love them. One morning I did not want to go with my dad, but then I wanted to.

There were so many goats to choose from. My sister Addison and I tried to pick the best one. Harley is brown and white. She looks like a deer. Ali is black and white, she looks like the moon and the sky at night. We play with them outside and have so much fun. This is why I love summer playing with my new goats outdoors!

Lanie Dunn, 4th, Miller Perry Elementary, Ms. Jeffers

Although I had many days of summer, my favorite day was the outdoors camping trip that we went on for five days. On the first day we went on a pioneer trail and we ran into a bear but luckily I had some pepper spray. The second day we went tubing down the river and almost drifted away. The next day my sister and I explored the deer trails. On the fourth day we had a family picnic and after that we went to the park and played for the rest of the day. On the last day we packed up to leave and left right after we went to the water park.

Allison Pridemore, 5th, Elydale Middle, Mrs. Smith

I went to Dollywood with my dad and his friends. I went to the underground rollercoaster. I was so scared that I yelled! I also saw a play pad shooting water out. I went to the new rollercoaster. It was great! When we went to eat, I got cinnamon bread. Then we left. I was worn out!

Maela Smith-Cumbow, 2nd, Rock Springs Elementary, Mrs. Charlton

I went to the beach. I saw little crabs. I held the little crabs. I had fun.

Trinity Page, 3rd, Shoemaker Elementary, Mrs. Johnson

This summer I went with my mom, my grandparents, and my sister fishing at my uncle's pond. My sister caught a big two- or three-pound bass! I caught about 20 fish, and it was so fun—we had a blast! My grandma watched us, and my grandpa fished with us. It was the best day ever and I hope to do it again next summer!

Clara Flanary, 5th, Weber City Elementary, Mrs. Webb

A summers day I spent outside is when I went to Dollywood! I went to Dollywood for my cousin's 11th birthday, and it was really hot. My cousins, mom, dad, and my little sister and I went to Dollywood. In Dollywood my dad and I went on a bunch of rides like The Wild Eagle, Dare Devil Falls, and Big Bear Mountain. That was my summer's day I spent outside.

Preston Baker, 4th, Miller Perry Elementary, Ms. Jeffers

My papaw got me a pony and a wagon from the Amish. We rode around with the pony attached to the wagon. It was the coolest thing I've ever done in my life. It was like I was in one of those western shows on the T.V. I named my pony Patsy. She's a true beauty when hooked up to the wagon and when not hooked up to the wagon. It is a fun thing to do to get out of the house from staying in all day long with nothing to do! Come take a ride with me!
