I would like to have the power to be smart. I would be able to be the smartest in the school. I could be famous for it! I could help my brothers, too! I would be good in school. I could even do math at playtime, too!

- Stacey Miller, 2nd, Rock Springs Elementary, Mrs. Charlton

The superpower that I would like to have is super strength. I could help if someone robbed the bank. I would use my super strength to get a cat out of a tree. I would use my super strength to eat all the pizza.

- Waylon Hale, 6th, J.W. Adams Combined, Mrs. Salyers

If I ever had a superpower, I mean, I know I have one because I am amazing, but my superpower would be shape shifting. I can be Lola. I can also shape shift into my dog. Her name is Lily.

- Lily Rush, 3rd, Mount Carmel Elementary, Mrs. Carter

If I could have any superpower, it would be telekinesis. First, let's say someone is falling off a building, I use my telekinesis powers to catch him or her. Second, I could just sit on the couch and not move an inch. If I wanted to change a TV channel, I could just bippity-boppity-boo! Lastly, it would be so easy to fight the bad guys; all I would need to do is bippity-boppity-boo again and they would be gone. That's why I want the power of telekinesis.

- Ava Taylor, 4th, Miller Perry Elementary, Ms. Jeffers

The superpower I would like to have is to run fast. I would be able to run fast and catch criminals when they break the law. I could help prevent robberies by making sure they don't succeed. I could disarm the weapons from the criminals. I could use my super power to put the bad guys behind bars and protect the people.

- Landon Price, 7th, Pennington Middle, Mr. Rhoton

If I could pick any superpower, I would pick super strength so I could defend myself if anyone or anything tried to hurt me. I would also like to have strength because I've just always liked that superpower. I would love to see what it would be like to be able to lift heavy things like cars or trucks. I like many other superpowers, but super strength would still be the one I'd pick to have.

- Lydia Rowland, 7th, Union Middle Ms. Honeycutt

The superpower I would like to have is shooting bubbles out my fingers. I want bubble power because if a thief came, I would shoot bubbles at them so they would not get me. What if a lion tried to eat a little girl? I would shoot bubbles at the lion, and he would go into outer space. I would be the world's superhero. Shooting bubbles would be a fun superpower!

- Mia Calhoun, 5th, Weber City Elementary, Mrs. Webb

# What superpower would you like to have?

My superpower would be flying. I want to fly to the North Pole. Then they would fly to Target. After that I would fly to the trampoline park. Who would you like to fly with me?

- Kammri Branham, 2nd, Hilton Elementary, Ms. Edwards

If I could have a superpower, it would be to be invisible. Invisibility would be fun, but the downside is nobody would be able to see me! When I go invisible no one would see me, so I could prank or sneak around someone. I would be quick as lightning. I wonder if I would have super strength as well.

- Landon Hoskins, 6th, Elydale Middle, Mrs. Yeary

If I had a superpower, I would want the power to learn. I can help people learn more. I'll be the best superhero in school.

- Nolan Thornton, 2nd, Mount Carmel Elementary, Mrs. Short

The superpower I would like to have is flying. I would like to fly to Myrtle Beach. If I flew to Myrtle Beach, I would go to the pool and ride horses. I want to fly like Captain Marvel.

- Olivia Mullins, 4th, J.W. Adams Combined, Mrs. Salyers

If I had to pick one superpower to have, I would choose to be able to manipulate time. If you could manipulate time, you could do one thing and see the outcome, and if you didn't like it then you can rewind time and fix it. You could also time travel to the past or future to see what it's like living then. If you were bored with doing something you could fast forward the time to when it's over as well. It's also useful if you didn't hear what someone said, then you could rewind and listen to it again. If you forget something, you can rewind and listen, and then fast forward back to where you were.

- Gracelyne Lambert, 7th, Union Middle, Ms. Honeycutt

My superpower would be the best because I would pick teleportation. Teleportation is the best because I can go to the beach for free without paying for gas or plane tickets. If I'm playing tag I would teleport away. If the world was ending and I had to go to Mars to live I could just teleport there. So, if I ever had a choice to pick any superpower in the world, I would pick teleportation.

- Ashyr Glenn, 5th Grade, Shoemaker Elementary, A. Garrett

The superpower I want is reversing time because if someone is kidnapped, I could just go back. It would be very cool and fun if you had this superpower. This superpower is used in lots of movies and shows. If I had it, I would already be using it.

- Brandon Stallard, 2nd, Hilton Elementary, Ms. Edwards

Superpowers are cool. If I could have any superpower, it would be to be invisible. I would like to have this superpower, because I would be able to do anything and everything. The superpower of invisibility can still get you in trouble if anyone found out. That wouldn't be good. I wonder if someone found out what would happen. What do you think?

- Lily Ellis, 6th, Elydale Middle, Mrs. Yeary

My superpower will be I can tell how people might get hurt. The way I will help is tell people so they know what to not do. Also, I will tell people how they might get sick so if they know if it is a disease, they can have a vaccine beforehand.

- Ryken Gordon, 4th, Miller Perry Elementary, Ms. Jeffers

I would like to fly because I would be like a bird. Even on hot days when I am hot, I can just fly to cool myself off. There is no need to go in the pool or even go inside. It would be so fun to fly; it would be just like a rollercoaster, and I love rollercoasters. You will have to have wings to fly. You will never know what kind of wings you will get. You could have bird wings or even fly wings. Whatever kind of wings you have, I know it will be fun.

- Caitlynn Johnson, 5th Grade, Shoemaker Elementary, A. Garrett

I would have spider-like powers. I would like these powers because I could climb up walls and turn invisible and swing. I would fight villains. I would save people. I would jump off buildings. I would be a superhero!

- Atlas Robbins, 2nd, Rock Springs Elementary, Mrs. Charlton

I would like to have invisibility because I could turn in visible whenever I wanted. I could scare people! That sounds really fun! That's what superpower I would like to have.

- Kerrie Page, 4th, Mount Carmel Elementary, Mrs. McCann

My superpower would be able to freeze time and this is how I would help people. For an example if I saw a person falling, I would freeze time and help them. Also, if I was in trouble, I could freeze time and fix everything. If you could have any superpower, what would it be and how would you help people? Thank you so much for letting me tell you all about my superpower. And always use your superpower for good!

- Adele Wilson, 4th, Miller Perry Elementary, Ms. Jeffers

- Joseph Wallen, 7th, Union Middle, Ms. Honeycutt

The superpower I would like to have is flying. I want to have flying as my superpower because I could do a front flip in the air. Also, I could go through the clouds and see what the clouds feel like. I could go in the sky so I don't have to do my chores. Also, I could just fly to school and I would never ever be late again. If I had the superpower of flying, I would be so happy!

- Abigail Milhorn, 5th, Weber City Elementary, Mrs. Webb
