Every year my mother and stepfather take me out to eat. Then we go to the park and we just swing on the swings. Thankfully, it's cold on my birthday, so no one else is there. Since it's Halloween, we watch horror movies when we get home. We do it every year and it's still the perfect birthday.

**Ariana Shelton, 7th, Jonesville Middle, Mrs. Brooks**

My idea of a perfect birthday is that I would want to go to the trampoline park. I would invite all my friends and family and give them all goodie bags. For my cake it will be purple and vanilla flavored. I love to open presents. Then I'll ask for money to go get snacks from the vending machine. Then maybe get ice cream. My favorite flavor of ice cream is strawberry. I love eating the strawberries from the ice cream. Now that's my idea of a perfect birthday.

**Jasmine Garcia, 5th, Ketrion Elementary, Mrs. Amyx**

My party will be Spiderman-themed. I would have a bouncy house at my party. I would have a big cake, and I would invite so many people. I would have goody bags. That would be my party.

**Stacey Miller, 2nd, Rock Springs Elementary, Mrs. Charlton**

"Meow!" The perfect birthday would involve these things. One thing is that I would cuddle with kittens while drinking tea. Then I would build The Globe Lego set. Last, I would watch the first episode of Star Wars. That would be the perfect birthday for me, what would yours be?

**Alistair Sanders, 4th, Miller Perry Elementary, Ms. Jeffers**

The best birthday would be at the beach and Just Jump. After the beach and Just Jump, I would get cupcakes and 2 cakes, some candles, and a guitar. I would do homework and chores and then run and walk. I would get a pool and trampoline and play on the phone. After all that I will go to sleep.

**Carmeron Houle, 2nd, Mount Carmel Elementary, Ms. Morgan**

The perfect birthday party plan for me is going to have to be going outside, starting a fire, and making smores under the moon and shining stars. Another thing is to perform my songs on my birthday when we get to the house after making smores. We would have some great cake at my birthday party. My birthday party would be amazing!

**Lexi Reno, 5th, Shoemaker Elementary, Ms. Garrett**

If I was planning my perfect birthday, I would have pizza to eat. I would want a baby pig. The theme would be cheetah print at Just Jump.

**Hannah Warner, 6th, Pennington Middle, Ms. Lambert**

If I could plan the perfect birthday for myself, it would be at Just Jump. I would play dodgeball there. I would jump on the trampoline. I would play in the foam pit. That's why I want to go there for my birthday.

**Willie Neeley, 2nd, Hilton Elementary, Ms. Edwards**

If I could plan the perfect birthday for myself, I would want to go to Hawaii and go surfing on the waves. After that, my family and I would go see the volcanos. Next, we would go to the biggest water park on the island and go on every slide. Finally, we would go to our hotel and have the best birthday party ever.

**Jacob Miele, 6th, Elydale Middle, Mrs. Smith**

My perfect birthday is going to be at my mom's house with everything. We will have balloons and even the best gifts and more. I wish that my mamaw and papaw were back to celebrate with me.

**Kyler Odham, 5th, Ketrion Elementary, Mrs. Amyx**

The perfect birthday for me would have to be a camping trip, by the river, with a fire, music, and smores! I would invite my friends over so we can fish, hunt, go for walks, and go bike riding!!! The best part though would be instead of a birthday cake, I get steak. That's my perfect birthday. What's yours?

**Ryleigh Faulkner, 5th, Shoemaker Elementary, Ms. Garrett**

My perfect birthday party would be in a water park in Las Vegas! The people who would come to my birthday party would have to fly to Las Vegas. At my party there will be Rubik's Cube Solving, Nerf Fights, and most of all waterslides! Whoever wins one of those games would win a prize. That surprise is whatever they would like, like concerts or sports games.

**Atlas Robbins, 2nd, Rock Springs Elementary, Mrs. Charlton**

My perfect birthday would be traveling to Miami, Florida and never coming back.

**Carter Robbins, 7th, Jonesville Middle, Mrs. Brooks**

What would be my perfect birthday? Amazing, of course. First and foremost, I had a party. By the way I got amazing gifts. Next, we had a big sleepover and we ate all the snacks we wanted. We watched a really scary movie. We got scared so we went to sleep. The next day we woke up and had to pack because we were going to Paris. When we got there, we had to go to Ultra because it was a girls' day. What would be a girls' day without Ultra? We might have spent too much but that's ok. In conclusion I had an amazing sleep over but it was all a dream. I wish it came true I will keep dreaming.

**Lanie Dunn, 4th, Miller Perry Elementary, Ms. Jeffers**

My birthday is in 20 days. I would like to go to the movies and get free popcorn. I will have a cake and ice cream. Then I will open presents and watch another movie at home.

**Serenity Young, 6th, Pennington Middle, Ms. Lambert**

For my birthday I want Robux cards and to go to Just Jump. I want to have a "Yes" day where my parents have to do whatever I say. I want to have cookie cake and cupcakes.

**Kaylyn Bussell, 2nd, Mount Carmel Elementary, Ms. Strickler**

First get out of bed then go put your clothes on because we're going to a water park. Then we play for 1 hour. Then we go to the shop because she is buying a birthday cake for me. Then we go back home and my friend is here. When he is here, I will open my birthday present.

**Lakota Graham, 2nd, Mount Carmel Elementary, Ms. Morgan**

The perfect birthday present for myself would be for my great grandma to get better. She has recently been in the hospital with pneumonia and the flu. She is 89 years old, and she has 2 kids, my Aunt Lisa and my Uncle Tim. My Aunt Lisa and my Uncle Tim are not doing so well either. But I think that would be the perfect birthday for me if they all got better.

**Aubree Brown, 7th, Jonesville Middle, Mrs. Taylor**

If I could have the perfect party it would be at Price's Park, the same place I had it when I was younger. I would have a marble cake and fruit salad with my mom, dad, and sis. I don't need any presents or guests, just my family AKA, my parents and sis. So that is the perfect party.

**Emisen Harden, 5th, Shoemaker Elementary, Ms. Garrett**

If I could plan the perfect birthday for myself, it would be a mythical birthday with all my friends. There would be a unicorn-themed cake, dragon-themed tablecloths, and mermaid-themed thank you bags. What would your dream birthday party be?

**Jasmin Burns, 5th, Ketrion Elementary, Mrs. Amyx**

I want my birthday to be a Minecraft Party. I want 6 people at my birthday party. My birthday is May 25th. I want lots of cookie cake!

**Terrence Rafalowski, 2nd, Rock Springs Elementary, Mrs. Charlton**

As soon as May gets here, I will be very happy. I will be throwing a birthday party by going to a fancy restaurant and shopping. I will invite some friends and have a vanilla birthday cake. After we eat cake, we will all go to Dollywood. We will ride all the rides and stay for the fireworks. We will stop for pizza on the way home and this will be the perfect birthday.

**Ava Underwood, 6th, Elydale Middle, Mrs. Smith**

If I could plan the perfect birthday for myself, it would be at the beach. I would go to the beach and go boogie boarding and build sandcastles. Then I would go to the pool and go underwater. I would make some funny noises underwater. This is what I would do when it is my birthday.

**Elaina Smith, 2nd, Hilton Elementary, Ms. Edwards**
